SUBJECT	**RE: Records Request Received 10/27/2026 - Robert Samuel White**

Hello,

I apologize, I was confused at your response. You had asked what other public agencies may have relevant records, which is why I mentioned OSP, since there were not records found in DSL's custody.

We have received your second request, which is much more in-depth. It has been sent to the deputy director of administration for review of the fee waiver request.
