Re: Petition for Public Records Disclosure Order
Oregon Judicial Department
DOJ File No. 198040-198040-16

Dear Mr. Johnson:

This letter is the Attorney General's order on your petition for disclosure under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition, which we received on December 13, 2016, asks the Attorney General to order Marion County Circuit Court and the Court of Appeals to produce various court records.

We spoke with Josh Nasbe, staff counsel at the Office of the State Court Administrator. He explained that Marion County Circuit Court received your records request, sent you a request for payment, and has not received a response. He added that the Appellate Court Records Section has no record of receiving a records request from you prior to your October 27th letter to this office (received by us on November 7th). On November 16, that Section provided you with records from one of the requested files at no cost, and asked for clarification on the specific records you're seeking. That Section is now preparing to send you an itemized cost breakdown for each of the requested files.

Therefore, your records request has not been denied, and we respectfully deny your petition. *See* ORS 192.450(1) (Attorney General may order a state agency to disclose records only when the agency has denied the records request).

Sincerely,

Frederick M. Boss
Deputy Attorney General
