Re: Petition for Public Records Disclosure Order
Oregon Department of Corrections
DOJ File No. 291011-GA0130-16

Dear Mr. Johnson:

This letter is the Attorney General's order on your petition for disclosure under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition, which we received on October 25, 2016, asks the Attorney General to order the Oregon Department of Corrections (ODOC) to produce 41 categories of records.

Your petition alleges that you submitted this public records request twice to former warden Jeff Premo, but never received a response. However, you do not mention which dates you submitted this request; this information would have been helpful in determining whether ODOC ever received your requests, and is required to be included in public records petitions, ORS 192.470. In a previous public records order, dated June 16, 2014, we denied your petition for the same records because ODOC's cost to fulfill the request exceeded the amount of money in your inmate trust account. We spoke with Tonya Gushard, the supervising executive assistant to the Oregon State Penitentiary superintendent; she explained to us that she can find no record of any new records request from you for this information, and that your inmate trust account is still too low to cover ODOC's cost to fulfill the request.

Therefore, ODOC has not denied your records request, and our prior order denying your petition stands.

Sincerely,

Frederick M. Boss
Deputy Attorney General
