Mr. White,

In response to your last e-mail, the Department engaged Enterprise Information Services, the State's central information technology agency, to complete your request for records. The search used the following criteria:

All emails, including attachments and replies:

* Sent to either of these Oregon State Police addresses:
* Captain Kyle Kennedy, Government and Media Relations (kyle.kennedy@osp.oregon.gov);
* OSP Public Information Officer (osppio@osp.oregon.gov); or
* Received from either of these Oregon State Police addresses:
* Captain Kyle Kennedy, Government and Media Relations (kyle.kennedy@osp.oregon.gov);
* OSP Public Information Officer (osppio@osp.oregon.gov).

that contain any of these terms:

* “threat assessment”

* “situational awareness” “welfare check”

* “knock and talk”

* “grievance”

In the date range: January 1, 2023, to the date of search.

The search resulted in zero e-mails that matched your criteria.

Public Records Disclaimer :

In the state of Oregon, Public Records Law ensures that government is transparent, and the public has a right to access appropriate records and information possessed by state government (see Oregon

Revised Statutes Chapter 192). Concurrently, there are exceptions to the public's right to access specific types of records. Both state and federal laws provide exceptions. Per ORS 517.901 any production records, mineral assessments and trade secrets submitted by a mine operator or landowner to the State Department of Geology and Mineral Industries shall be confidential. The documents provided in fulfillment of this public records request may include draft or superseded materials. Draft or superseded documents may not be clearly marked as such. If you have a question regarding a specific document, please contact the department for clarification.

Thank you,

Beginning Monday, October 26, 2026, the Department will temporarily pause its acceptance of new and amended permit and certificate applications, transfer of permit applications, and requests for closure. This pause is being implemented in support of the transition to the Department’s new electronic permitting system, DEPS. The pause is expected to remain in effect until the applicable DEPS modules launch early 2027. Applicants are encouraged to prepare their materials in advance for submission through DEPS. For more information, visit the MLRR website<https://www.oregon.gov/dogami/mlrr/Pages/default.aspx> or the DEPS webpage<https://www.oregon.gov/dogami/mlrr/Pages/deps.aspx>.
