SUBJECT	**RE: Petition for a Public Records Order: Oregon School Boards Association**

DOJ has received your public records petition, but the Attorney General does not have jurisdiction over your appeal. The AG's jurisdiction is limited to denials of public records requests by "state" agencies, and OSBA is not a state agency. See ORS 192.411 and ORS 192.311 (defining a state agency).

Thank you,
[DOJ Staff]
