SUBJECT	**Public Records Request - Communications with OSP Government and Media Relations**

Greeting Robert,

I received information today from DAS EIS that an extensive search was conducted and there were no records responsive to your request found. Per your request, and per ORS 192.324(5) I am granting your request for a waiver of the fees associated with this request as I have determined that doing so is in the public interest because making the record available primarily benefits the general public.

Please let me know if there is anything I can do to further assist.

Robert Ruark
