Re: Petition for Public Records Disclosure Order
*Oregon Department of Corrections*
DOJ File No. 291011-GA0095-17

Dear Ms. Green:

This letter is the Attorney General's order on your May 31, 2017, petition for disclosure under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition asks the Attorney General to order the Department of Corrections (ODOC) to produce "grievances filed between Jan. 2013 and the date this request is filled, accepted, and denied, against [ODOC] employees Inspector J. Plante and Lt. Douglas Yancy," and "any syllabus-like program outlines that describe the programs that inmates work while they are in IMU, and . . . all packets given to inmates to fill out while they are in IMU as part of those programs."

Your petition shows that you submitted these records requests to ODOC on April 26th, and that after discussing the cost of a since-withdrawn request, you advised ODOC on May 19th and May 22nd that you would like to proceed with these requests yet did not receive a response.

We spoke with Betty Bernt, communication manager at ODOC. She told us that she sent you a cost estimate for these requests on June 5th. Because ODOC has now provided you with this estimate, it has not denied your records request. We therefore respectfully deny your petition as moot. *See* ORS 192.450(1).

Sincerely,

Frederick M. Boss
Deputy Attorney General
