Re: Petition for Public Records Disclosure Order
Oregon Department of Environmental Quality
DOJ File No. 340310-GA0140-17

Dear Ms. Hansen:

This letter is the Attorney General's order responding to your October 20, 2017, petition for disclosure under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition asks the Attorney General to order the Department of Environmental Quality (DEQ) to produce various records related to the enforcement of Molalla's wastewater permit.

We understand from Tiffany Yelton Bram, DEQ's WQ Source Control Manager, that the relevant records were sent to you on October 23rd. Because DEQ has agreed to provide you with these records, we respectfully deny your petition as moot. *See* ORS 192.450(1) (Attorney General may order disclosure only when the records request has been denied).

Sincerely,

FREDERICK M. BOSS
Deputy Attorney General
