Re: Petition for Public Records Disclosure Order
Oregon Department of Transportation
DOJ File No.: 734610-GA0044-19

Dear Mr. Brown:

This letter is the Attorney General's order responding to your petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition asks the Attorney General to order the Oregon Department of Transportation (ODOT) to disclose all of the public testimony received by ODOT relating to the Environmental Assessment of the I-5 Rose Quarter Improvement Project. Your indicate that you submitted your request to ODOT on April 29, 2019, but that you have not received a completed response or estimated completion date within the timelines contained in ORS 192.329.

In light of your petition, we contacted Laura Rojas, ODOT's Records Management and Public Records Request Coordinator. She explained that ODOT will be publishing the public comments to a publicly accessible website, and is scheduled to do so today. Because ODOT is making the comments available to the public and has not otherwise denied any aspect of your request, we respectfully deny your petition as moot.

Sincerely,

FREDERICK M. BOSS
Deputy Attorney General
