Re: Petition for Public Records Disclosure Order
Oregon State Police
DOJ File No.: 257001-GA0062-21

Dear Ms. Livingston:

This letter is the Attorney General's response to your petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition asks the Attorney General to order the Oregon State Police (OSP) to disclose records relating to the investigation of William Joseph Green.

OSP initially denied your request based on ORS 419B.035, which prohibits the release of information compiled under various statutes that deal with the reporting and investigation of child abuse. In response to your petition, we spoke with Holly Bolton, OSP legal compliance specialist. She informed us that OSP has now withdrawn its earlier denial and will process your request, subject to the redaction of any information it concludes is exempt from disclosure. *See* ORS 192.338 (duty to separate exempt and nonexempt material). If you disagree with any such redactions, you may petition this office for review. Because OSP has agreed to process your request, we respectfully dismiss your petition as moot.

Sincerely,

Frederick M. Boss
Deputy Attorney General
