Re: Petition for Public Records Disclosure Order
Oregon Criminal Justice Commission
DOJ File No. 213001-GA0155-21

Dear Mr. Wren:

This letter is the Attorney General's response to your petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition, which we received November 10, 2021, asks the Attorney General to order the Oregon Criminal Justice Commission (CJC) to produce certain drug-related arrest and conviction data.

Your petition explains that you requested the data on October 14, 2021, and despite several requests for updates on the status of your request, CJC has not completed its response or provided you with an estimated completion date. *See* ORS 192.324(2) and 192.329(5)(a)-(b) (agency shall complete its response or provide a reasonable estimated completion date within 15 business days). In response to your petition, we contacted Ken Sanchagrin, CJC's Executive Director. He explained that CJC completed its response to your request on November 15, 2021, by informing you that it does not maintain the specific data you requested.

Because CJC has completed its response, we respectfully dismiss your petition as moot.

Sincerely,

Frederick M. Boss
Deputy Attorney General
