Re: Petition for Public Records Disclosure Order
Board of Parole and Post-Prison Supervision
DOJ File No.: 255001-GA0167-21

Dear Mr. Friar:

This letter is the Attorney General's response to your petition under the Oregon Public Records Law, ORS 192.311 to 192.431. Your petition asks the Attorney General to order the Board of Parole and Post-Prison Supervision (the "Board") to produce records that show the exact date upon which your post-prison supervision will end. For the reasons discussed below, we respectfully deny your petition.

We contacted Ryan Williams, the Board's Executive Support Specialist, regarding your petition. He provided us with a copy of the Board's response to your request, which informed you that the exact date you seek is not currently available. He explained to us that there are no responsive records because your release date is only projected at this time and the exact term of supervision in your case will not be known until your actual release date is established. He also informed us that based on the method used to calculate the term of supervision, post-prison supervision in your case should expire 45 months after your projected release date of 3/14/2028, or approximately December 14, 2031.

Under the circumstances, we have no reason to second-guess Mr. Williams' representation that the Board does not possess responsive records. And because we cannot order the Board to disclose records that do not exist, we respectfully deny your petition.

Sincerely,

Lisa M. Udland

Lisa M. Udland
Deputy Attorney General
