Re: Petition for Public Records Disclosure Order
Oregon Liquor Control Commission
DOJ File No.: 845500-GA0124-19

Dear Mr. Jacoby:

This letter responds to your petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition asks the Attorney General to order the Oregon Liquor Control Commission (OLCC) to disclose various records related to your client. Your petition explains that you requested the records on August 9, 2019, but did not receive the 15 business-day notice required by ORS 192.329(5).

We spoke with Kelly Routt, OLCC's Director of Administrative Policy & Process. She explained that OLCC inadvertently lost track of your request due to a heavy workload. She added that OLCC has now sent you the required notice, which provides you with an estimated date of October 14th to fulfill the request, and with the estimated cost to fulfill the request. She explained that this estimated date includes an allowance for the time to review in excess of 1k responsive e-mails, although some are potentially duplicative. In addition, OLCC has agreed to produce nonexempt records on a rolling basis, beginning as soon as this week (contingent upon receipt of partial payment from you).

Because OLCC has agreed to a specific timeframe, and we do not see a basis to impose a different one, we respectfully deny your petition.

Sincerely,

Frederick M. Boss
Deputy Attorney General
