Re: Petition for Public Records Disclosure Order
Oregon Public Employees Retirement System
DOJ File No. 459001-GA0033-22

Dear Mr. Seeley:

This letter is the Attorney General's response to your petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition, which we received on April 12, 2022,[1] asks the Attorney General to order the Oregon Public Employees Retirement System (PERS) to produce five categories of records relating to your PERS account.

We contacted Alan Smith, PERS Records Officer, regarding your petition. He explained that PERS has no record of you submitting a request through its established public records request process. He also informed us that PERS agreed to treat your petition as a public records request and that PERS has now completed its response to you.[2] Because PERS has completed its response, we respectfully dismiss your petition as both premature and moot.

Sincerely,

Lisa M. Udland

[1] We thank you for granting an extension of time in which to respond.
[2] PERS informed us that one record that you requested – an "Employer Statement for Periodic Review of Disability Retirement Allowance" – does not exist. We have no reason to second-guess PERS' representation, and we cannot order PERS to disclose a record that does not exist.
