Re: Petition for Public Records Disclosure Order
Oregon State Police
DOJ File No.: 257001-GA0051-22

Dear Ms. Orlich:

This letter is the Attorney General's response to your petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition asks the Attorney General to order the Oregon State Police (OSP) to disclose the agreement or contract that clients enter with the breath alcohol ignition interlock device (IID) company "LifeSafer." Your petition states that you requested these records in April 2022, but that OSP has not completed its response to your request.

We contacted Holly Bolton, OSP Central Records Section, regarding your petition. She informed us that OSP completed its response to your request by e-mail on May 10, 2022, and she provided us a copy of the e-mail. It states, in relevant part, that OSP does not possess or maintain copies of IID vendor contracts and that OSP's IID Program does not have oversight authority of contracts between vendors and customers.

The record shows that OSP completed its response to your request by informing you that it does not possess responsive records. And because we cannot order OSP to disclose records for which it is not the custodian, we must respectfully deny your petition.

Sincerely,

Lisa M. Udland

LISA M. UDLAND
Deputy Attorney General
