Re: Petition for Public Records Disclosure Order
Oregon Business Development Department
DOJ File No.: 123100-GA0117-22

Dear Mr. Hammond:

This letter is the Attorney General's response to your petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition asks the Attorney General to order the Oregon Business Development Department (OBDD) to furnish certain records that you requested in July and August 2022. For the reasons discussed below, we respectfully dismiss your petition.

In response to your petition, we contacted Nathan Buehler, OBDD's Communications and Research Manager. He informed us that OBDD has completed its response to your request by disclosing all of the nonexempt records that it located. He indicated that OBDD redacted some information from those documents and also withheld records it determined were exempt from public disclosure.

Because OBDD has completed its response to your request, we respectfully dismiss your petition as moot. If you believe OBDD has improperly redacted or withheld nonexempt information responsive to your request, you may submit a new petition to this office.

Sincerely,

Lisa M. Udland

Lisa M. Udland
Deputy Attorney General
