Re: Petition for Public Records Disclosure Order
Bureau of Labor and Industries
DOJ File No.: 839317-GA0051-23

Dear Ms. Tatoian:

This letter is the Attorney General's response to your petition, on behalf of a client, for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition, which we received May 3, 2023, asks the Attorney General to order the Bureau of Labor and Industries (BOLI) to disclose records that your client requested from BOLI on March 15, 2023.

In response to your petition, we contacted Kelsey Dietrick, BOLI's Public Records Manager. She informed us that BOLI completed its response to your client's request on May 8, 2023. Because BOLI has completed its response, we respectfully dismiss your petition as moot.[1]

Sincerely,

Lisa M. Udland

Lisa M. Udland
Deputy Attorney General

[1] Your petition also asks the Attorney General order BOLI to pay a $200 penalty pursuant to ORS 192.407(3) for failing to respond to your client's request in a timely manner. Although BOLI has now completed its response to your client, you continue to seek this penalty. We note, however, that the penalty provisions in ORS 192.407 are only available when the Attorney General grants a petition under that section, which we are unable to do in this instance. There is no provision in the Public Records Law authorizing this office to impose any penalties after an agency has completed its response.
