Re: Petition for Public Records Disclosure Order
*Oregon Bureau of Labor and Industries*
DOJ File No.: 839457 GA0180-25

Dear Mr. Davis-Brown

This letter is the Attorney General's response to your petition under the Oregon Public Records Law, ORS 192.311 to 192.431. Your petition indicates that the Oregon Bureau of Labor and Industries (BOLI) failed to respond to your public records request within the time period prescribed by ORS 192.329. Your petition states that BOLI failed "to communicate any updates [and] did not process my request in good faith."

The request you submitted to BOLI appears to have been made in your capacity as an employee of Prosper Portland—a governmental body. Because "a public body may not use the Public Records Law to obtain public records from another public body," BOLI had no obligation to respond to your request, and we have no authority to order compliance. *Attorney General's Public Records and Meetings Manual* at 1 (2024). Additionally, after receiving your petition, BOLI directed you to where the records you seek are publicly available. For these reasons, we respectfully dismiss your petition.

Sincerely,

BENJAMIN GUTMAN
Deputy Attorney General
