Re: Petition for Public Records Disclosure Order
Oregon Public Defense Commission
DOJ File No.: 404001-GA0157-26

Dear Mr. Harrison:

This letter is the Attorney General's response to your petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. You requested records from the Oregon Public Defense Commission (OPDC). Your petition challenges the completeness of OPDC's records response.

We reviewed the correspondence between you and OPDC including the clarifying letter sent by OPDC on August 21, 2026. OPDC completed its response to you on July 20, 2026. Your petition contends that OPDC should have supplied you with records created after July 20. The Public Records Law does not require a public body to supplement its production with records generated after the response is complete. You are free, of course, to submit a new request to OPDC for the records you seek.

OPDC states that records sent to you on July 20 represent the "complete set of records" in its custody at the time the request was fulfilled. Under the circumstances, we have no reason to doubt OPDC's representation that additional records did not exist at that time. For these reasons, we respectfully deny your petition.

Sincerely,

BENJAMIN GUTMAN
Deputy Attorney General
