Re: Petition for Public Records Disclosure Order:
Appraiser Certification and Licensure Board Records

Dear Mr. Jeddeloh:

This letter is the Attorney General's order on your petition for disclosure of records under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition, which we received on August 10, 1992, asks the Attorney General to direct the Appraiser Certification and Licensure Board's office to make available for inspection and copying a complete list of names and addresses of all licensed appraisers, transitionally licensed appraisers, certified appraisers and appraiser assistants as of July 27, 1992.

The Administrator of the Oregon Appraiser Certification and Licensure Board has advised us that the Board will make the most recently updated listing of those individuals maintained by the Board available to you. The Public Records Law authorizes a state agency to charge fees reasonably calculated to reimburse it for its actual cost in making public records available, ORS 192.440(3), and we understand that the records you have requested will be made available to you upon payment of such a charge.

We further understand that this arrangement is acceptable to you. Therefore, we dismiss your petition as moot.

Sincerely,

AMY VERANTH
