Re: Petition for Public Records Disclosure Order
Clackamas County Trial Court Records

Dear Mr. Mott:

This letter is the Attorney General's order on your petition for disclosure of records under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition, which we received on July 27, 1993, asks the Attorney General to direct the Clackamas County Circuit Court to make available certain records concerning case no. 92-0059.

The Clackamas County trial courts are administered by the Trial Court Administrator. ORS 8.185. We respond to your petition as if it were made to the Trial Court Administrator, Jim Shofner. For the reasons that follow, we respectfully deny your petition as moot.

The Public Records Law confers a right to inspect any public records of a public body in Oregon, subject to certain exemptions and limitations. However, the Attorney General may order a state agency to disclose records only where the agency first has denied a request for public records. ORS 192.450(1).

In this case Mr. Shofner has agreed to provide the records you requested, to the extent that they exist in the custody of the Trial Court Administrator, and will be forwarding them to you. Because the records you requested are being provided to you, your petition is denied as moot.[1/]

Sincerely,

Elizabeth S. Harchenko

[1/] Your petition also refers to a request made to the Clackamas County District Attorney. This order does not address the request made to the district attorney. When a request to inspect or copy a public record is denied by an elected official, the person requesting the record must institute proceedings in the appropriate circuit court to seek relief from that claim of right to withhold disclosure. ORS 192.480. By advising you of this procedure, we do not express any opinion on whether the District Attorney has in fact denied a public records request in this matter.
