Re: **Request for Public Records Disclosure Order; Oregon State Board of Pharmacy Records**

Dear Mr. Robertson:

This letter is the Attorney General's order on your petition for disclosure of records under the Oregon Public Records Law, ORS 192.410 through 192.505. Your petition, which we received on January 18, 1989,[1] asks the Attorney General to order the Oregon State Board of Pharmacy (board) to disclose a specific record that you describe as the "'Update' from the Executive Director to the Board of Pharmacy members, dated July 15, 1988." For reasons that follow, your petition is moot.

At the time we received your petition, the board had not yet responded to your November 13, 1988, letter, requesting a copy of this document. We understand, however, that the board has given you a copy of the "Update," together with other records to which it referred and which were attached to it. Because the board has satisfied your request, your petition for an order compelling disclosure is now moot.

Very truly yours,

James E. Mountain, Jr. by Dave Frohnmayer
