Re: Petition for Public Records Disclosure Order; Division of Audits Records

Dear Mr. Neville:

On June 13, 1991, we received your petition under Oregon's Public Records Law. Your petition asked the Attorney General to direct the Director of the Division of Audits of the Office of the Secretary of State to make available for inspection or copying a memorandum which discusses certain Children's Services Division expenditures in Lane County.

We understand that the Secretary of State's Office has provided you with a copy of the record you requested. Therefore, your petition is now moot.

Sincerely,

Pamela L. Abernethy
