Re: **Petition for Public Records Disclosure Order; Executive Department Records**

Dear Mr. Welch:

On August 23, 1991, we received your petition under Oregon's Public Records Law. Your petition asked the Attorney General to order the Executive Department to disclose certain documents.

One of the documents, the application for testing made by Barbara Swanson for the position of certified property appraiser, no longer exists. Therefore, it cannot be provided to you. The Executive Department informs us that it will send you a copy of the other document you requested, the application for testing made by Loraine Gough for the position of certified property appraiser. Accordingly, your petition for public records disclosure is now moot.

Sincerely,

PAMELA L. ABERNETHY
Special Counsel to the
Attorney General
