Re: Petition for Public Records Disclosure Order
Wood Products Competitiveness Corporation Records

Dear Mr. Bennett:

This letter is the Attorney General's order on your petition for disclosure of records under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition, which we received on July 21, 1993, asks the Attorney General to direct the Oregon Wood Products Competitiveness Corporation (OWPCC) to make available the fiscal impact statement for rules adopted by OWPCC, specifically OAR 432-03-000 through 432-03-006.

The Public Records Law confers a right to inspect any public record of a public body in Oregon, subject to certain exemptions and limitations. See ORS 192.420. The record you request is not exempt from disclosure, and Gene Todd of OWPCC informs us that OWPCC sent the record to you on July 1, 1993.[1/] OWPCC will be resending the record.

[1/] OWPCC has sent us a copy of its July 1 letter sending you the fiscal impact statement you requested, along with a copy of that enclosure. Both are attached to this order.

Since OWPCC released the requested record to you, we deny your petition as moot.

Sincerely,

Elizabeth S. Harchenko
