Re: Request for Public Records Disclosure Order
Board on Police Standards and Training (BPST)

Dear Mr. Donovan:

This letter responds to your February 10, 1988 petition for a public records disclosure order. The Attorney General's office received your petition on February 12, 1988.

From information received from Charles E. Pritchard, Chief Counsel, Criminal Justice Division, I understand that one of the documents you have requested is not in the possession of BPST. The other document, a letter sent around February 5, 1988, from BPST to the City of Hines regarding Jerry Hytry's application for certification, is in the possession of BPST. When BPST receives documentation that Mr. Hytry has resigned from the City of Hines, they will treat that letter as a public record and provide it to you.

I understand that on that basis, and to avoid any potential delay from this office's process of issuing a public records disclosure order, you have agreed to withdraw your petition and to provide us with a letter memorializing that agreement. Accordingly, we treat your original petition as withdrawn.

Sincerely,

Richard D. Wasserman
Assistant Attorney General
