Re: February 29, 1988 Public Records Petition for Disclosure of Board of Pharmacy Document

Dear Jim:

This letter responds to your above-referenced petition for a public records disclosure order of the Attorney General. You extended our office the courtesy of an extension of time until March 18, 1988, to allow the Board of Pharmacy to reconsider its original denial of disclosure. On behalf of your client, the Proprietary Association, you sought access to a January 11, 1988 memo from Assistant Attorney General Walter Barrie to the Board of Pharmacy.

As you are probably aware, the Board of Pharmacy has made the disclosure you requested. On March 17, 1988, I was informed by Assistant Attorney General Frank Mussell that the Board of Pharmacy had given a copy of the January 11, 1988 memo to Joe Doss, a representative of the Proprietary Association. Your petition, therefore, is moot.

If you have any questions or comments, please give me a call. Thank you for your professional courtesy and your fine memo on waiver of the attorney-client privilege.

Sincerely,

JAMES E. MOUNTAIN, JR.
Special Counsel to the
Attorney General
