Re: Request for Public Records Disclosure Order
Portland State Univeristy School of Social Work Records

Dear Mr. Massengill:

Thank you for your June 20, 1988 letter to Attorney General Frohnmayer. You ask for the assistance of this office in resolving a question about your access to your application for admission to the Portland State University School of Social Work. I believe the matter has been resolved and that the School of Social Work will make your application records readily available for your inspection.

In this particular instance, we need not treat your June 20, 1988 letter as a petition for a public records disclosure order of the Attorney General. After you submitted your letter, Dean Bernard Ross had an opportunity to confer with Assistant Attorney General Janet Billups. Ms. Billups informed me that Dean Ross is taking the steps necessary to provide you with the reasonable disclosure to which you are entitled under the Oregon Public Records Law. I expect that the School of Social Work will extend to you the same courtesy and cooperation it has extended to our office in this matter.

If you have any questions, please contact me or Assistant Attorney General Billups.

Sincerely,

James E. Mountain Jr.
