| SUBJECT | **RE: Public Records Request** |

Good morning, Mr. White,

I apologize for any confusion caused by my word choices. When I used the term "addressed," I meant "contained," but I realize now that those terms are not necessarily the same. Thank you for pointing that out - I'll try to be more precise in my communications going forward.

To clarify, OED's IT department searched for and collected all emails and Teams messages sent to or received from Kyle Kennedy or OSPPIO (the "OSP accounts") between January 1, 2023, and October 29, 2026. That search found about 25 to 30 communications between OED inboxes and the OSP accounts.

I then reviewed those communications to determine whether any contained the five terms identified in your request. None of the emails or Teams messages contained any of those terms. As a result, OED does not have any records responsive to your request.

I hope this helps and I apologize again for any confusion. Please let me know if there is anything else you need.
