SUBJECT	**RE: Public Records Request**

Good afternoon, Mr. White,

Thank you for sharing your website with me, it was quite interesting to look through. One thing I noticed was that you also sent a records request to WorkSource Oregon (WSO). WSO is a division of the Oregon Employment Department - rather than a separate agency. Therefore, WSO email inboxes were included in the search performed by OED's IT team in response to your request to OED as a whole. I just wanted to point that out, so you weren't waiting around for an answer.

Thank you,
