Re: Public Records Requests - OHA Communications to/from Oregon State Police 2023 - Current (OHA Request No. 2026-1098)

You have submitted the attached identical public records requests to various departments at Oregon Health Authority, requesting:

"All communications sent to or received from either of these Oregon State Police accounts, through any channel the agency uses: emails, Microsoft Teams chat and channel messages, text messages, and voicemail, including attachments and replies: Captain Kyle Kennedy, Government and Media Relations ([email]) OSP Public Information Officer ([email]) that contain any of these terms: "threat assessment" "situational awareness" "welfare check" "knock and talk" "grievance" Date range: January 1, 2023, to the date of search. This request excludes any record concerning me."

Oregon Health Authority does not have the capacity to process this request. Going forward, please note that Oregon Health Authority public records requests are centralized. Any requests you send to various Oregon Health Authority units will be forwarded to the OHA public records team. Further requests received that are identical to the ones already received will be combined with these requests.
