SUBJECT	**Re: Public Records Requests - OHA Communications to/from Oregon State Police 2023 - Current (OHA Request No. 2026-1098)**

Hello,

Do you have a list of which public bodies you will answer for? I am more than happy to update my infrastructure if you provide one.

With that being said, I disagree with the characterization that they are duplicates and I will not close them without such a list. The statute defines what a public body is and that is who I submitted my requests to.

Respectfully,

Robert Samuel White
