DATE	November 3, 2026, 2:35 PM PT
SUBJECT	**RE: Public Records Request 260377**

Good afternoon,

One quick correction to the email below. It looks like you already supplied all the information we needed for the fee waiver request, and you do not need to complete the form we previously sent. We will start processing your fee waiver request and will let you know what the Department's decision is once I receive it.

[OWRD Public Records] (he/him/his)
