SUBJECT	**RE: FW: Public Records Request**

Robert

I apologize for the confusion. There were only four emails responsive to the request. I mistakenly counted your request which was attached.

The Oregon Department of Energy searched our State of Oregon email system for all emails, including attachments and replies, sent to or received from either of these Oregon State Police addresses with the date range: January 1, 2023, to the date of search:

Captain Kyle Kennedy, Government and Media Relations (kyle.kennedy@osp.oregon.gov)
OSP Public Information Officer (osppio@osp.oregon.gov)
that contain any of these terms:

* "threat assessment"
* "situational awareness"
* "welfare check"
* "knock and talk"
* "grievance"

These were the terms you requested, and the search was conducted by the Chief Information Officer at the agency on November 4, 2026. Four responsive emails were found and were attached to my original reply.
