RE: Records Request R004132-102726

Dear Robert Samuel White:
We have reviewed your information, and the Attorney General's discussion of the statutory standards for fee reductions and waivers under Oregon's Public Records and Meetings Manual. Based on our review we find that your request for a fee waiver is insufficient to satisfy the public interest test so as to justify either a fee reduction or waiver under ORS 192.345(5). Accordingly, we respectfully deny your request for a waiver of the department's fees associated with your request for public records.
Sincerely,
[DOC Staff], ODOC Public Records Program Manager
