FROM	DOC Public Records
TO	Robert Samuel White
DATE	November 10, 2026, 10:57 AM PT
SUBJECT	**ODOC Public Records Center :: R004132-102726**

--- Please respond above this line ---

Dear Robert Samuel White:
This message is in further response to your October 27, 2026, request for the following Department of Corrections records Reference No. R004132-102726:
Please see the attached document.
Date Range: 01/01/2023 to
The fee associated with ODOC performing a search of electronic communications to determine if responsive records exist is $37.50 (Invoice No. INV26-R004132-1) and is available for review in your Public Records Center account.
If you want the department to proceed with the processing of your request, you must prepay to the department its estimated fees. Please mail a money order, cashier's check, or business check with a copy of this letter to the Oregon Department of Corrections for the above amount to: Oregon Department of Corrections, General Records Request, 3723 Fairview Industrial Drive SE, Suite 200, Salem, Oregon 97302. To ensure the payment is credited to the correct records request, please include the reference and invoice number on your form of payment. We anticipate completing your request within three weeks of receipt of payment.
Following receipt of payment, the agency will conduct a search for records reasonably calculated to locate records that may be responsive to your request, as provided under ORS 192.324(4a). Records identified through this search will then be reviewed to determine responsiveness and whether any records, or portions of records, are exempt from disclosure. Please note that the completion of a search does not guarantee that responsive or releasable records will be located. We will provide further communication once the search and review process has been completed.
If the department does not receive payment or a response from you within 60 days of the date of this letter, the Public Records Law requires that the department close your request.

Sincerely,
[DOC Staff]
Public Records Analyst
