Re: Petition for a Public Records Order: Special Districts Association of Oregon

Good morning:

This letter is to acknowledge receipt of your appeal. Your appeal was originally sent by email on November 4, 2026. However, the email was flagged by our IT department and was not received by our office at that time. Our office became aware of your appeal after receiving a response to the original email on November 9, 2026. Accordingly, your appeal is being treated as received by our office on November 9, 2026. Additionally, in your email you referred to supporting documents provided through a link. Please provide the referenced documents directly to our office as attachments rather than through an external link so that the materials may be properly received and reviewed.

It appears that this appeal is appropriately before the Marion County District Attorney's Office. *See* ORS 192.415.

Pursuant to the timeline for responses under ORS 192.418, this office is ordinarily required to issue an order on this matter by 5:00 p.m. on Monday, November 16, 2026. At this time, our office should be able to accommodate that schedule.

Therefore, I would ask the parties please provide additional information as follows:

(1) A response from the Special Districts Association of Oregon, if any, to the appeal by 5 p.m. on Thursday, November 12, 2026. This response should include the documents at issue because at least one of the cited exemptions requires me to balance the sensitivity of issues therein. The underlying documents at issue will not be shared with Appellant.
(2) Appellant may provide a reply, if any, by 5 p.m. on Friday, November 13, 2026.

I will provide an order on this matter by 5 p.m. on Monday, November 16, 2026, or as close therein as possible. If I am unable to do so for any reason, parties may consider that inability to do so a denial of the

appeal under ORS 192.418 and file directly to Marion County Circuit Court. Parties can agree to a different schedule upon stipulation.

I will not respond to any communication which is not provided to all parties. If either party is represented by counsel on this matter, please notify me as soon as possible.

Thank you.

Brendan Murphy
Chief Deputy District Attorney
Marion County, Oregon
