SUBJECT	**I need a set of Comms eyes, please FW: Public Records Request**
ATTACHED	2026-10-27-department-of-state-lands.pdf

Hi Alyssa,

We received the attached public records request on Tuesday. I have sent an acknowledgement today (I'm a little backed up at the moment).

I would like you to look over the request. Though it is not a request from the media, it is a request for DSL correspondence with OSP's media relations. I have not yet been able to perform an eDiscovery search on this, so I don't know how many such emails exist. While I don't think this is anything that comms would need to sign off on, I wanted to be safe instead of sorry.
