SUBJECT	**Re: The Attorney General's public records orders**

Robert,
Can you tell me more about the reason for the request? Where does the person being denied the record request live/claim as their home city of residence? Only asking in case there are ties to the southern half of the state (which I cover, not to say I can't do a state-level story).
Are you the incarcerated person requesting the records or are you their advocate/legal representative? Just trying to decode some of the basics so I can figure out where to go from there.

I'm glad you emailed.
