PUBLIC RECORDS REQUEST: MR. GREENE

TO	Toby Tooley, Public Records Program Manager, Oregon Department of Corrections
FROM	Robert Samuel White
DATE	November 12, 2026
RE	Public records request under ORS 192.314

To the Public Records Officer, Oregon Department of Corrections:

Under ORS 192.314, I request the following public records of the Oregon Department of Corrections. They are the records Shane Vondel Michael Greene, SID #14840834, held at Deer Ridge Correctional Institution, requested from the agency.

Background. On June 29, 2026, Mr. Greene asked the agency for emails between its personnel "as they relate solely to AIC Shane Vondel Michael Greene." The agency set a fee and denied his request to waive it. On September 11, 2026, the Attorney General's office denied his petition challenging that denial, writing that his request "seems primarily intended to serve your private interests" and that "the available record fails to demonstrate that you have any ability to meaningfully disseminate the information to the general public."[1] On September 29, 2026, David Pitcher, the Attorney General's Public Records Counsel, wrote to Mr. Greene that "the Attorney General will not be issuing any further orders on these matters."[2] I publish OpenRecordsOregon.org, where every record I receive in answer to a public records request is published in full.[3]

Records requested. The records Mr. Greene requested, for the same periods his requests named:

1. Every email his public records request of June 29, 2026, asked for: emails between agency personnel "as they relate solely to AIC Shane Vondel Michael Greene."[1]
2. Every email his public records request of March 13, 2025, asked for.[4,5,6]

The search. Please provide, with the records, the records the search itself produces: the log, report, or audit trail that the system or tool used to search creates, showing what was searched, the terms and date range applied, when the search ran, who ran it, and what it returned. That record is the minimum standard of care for any search for public records, and the record of this search is part of this request. If no records are found for any item, please provide the record of the search that found none.

Format and correspondence. Under ORS 192.324(3), please provide records in their native electronic format with metadata intact, by email or secure link, on a rolling basis as they are ready. Please conduct all correspondence about this request by email, including acknowledgments, estimates, and payment instructions. Under ORS 192.324(1), this letter is a complete written request. It does not need to be resubmitted on a form.

Exemptions. For any record or portion withheld, please identify the record, the specific exemption claimed, and how it applies to that record (ORS 192.329, 192.338). Please segregate and release nonexempt portions. If you claim privilege for any record, please identify the client, the attorney, and the legal advice sought.

Timeline. Please acknowledge this request within five business days and give an estimated completion date as required by ORS 192.324 and 192.329.

Preservation. Please preserve all records responsive to this request while it and any petition for review are pending.

Respectfully,

Robert Samuel White
