Thank you for submitting your public records request to the Oregon Parks and Recreation Department (OPRD). Expect to hear back from us in about 10 business days with any records that match your request or, for larger requests, with an estimate for staff time and costs to gather the documents. OPRD is currently relocating their central office along with physical records. There may be a delay in accessing certain records. We will respond with additional information if it is applicable to your request. Thank you, Oregon Parks and Recreation Department
