SUBJECT	**Public Records Request under ORS 192.314**

Greetings Robert,

Thank you so much for reaching out regarding this public records request. I have to start off by apologizing for not responding within 5 days as requested to provide you with an estimated completion date. While no excuse is acceptable, there were circumstances that contributed to the delay, and I have provided directives to ensure we provide timely responses as required for any future public records requests.

Your request for: All communications sent to or received from either of these Oregon State Police accounts, through any channel the agency uses: emails, Microsoft Teams chat and channel messages, text messages, and voicemail, including attachments and replies:

*
Captain Kyle Kennedy, Government and Media Relations (kyle.kennedy@osp.oregon.gov)
*
OSP Public Information Officer (osppio@osp.oregon.gov)

That contains any of these terms:

*
"threat assessment"
*
"situational awareness"
*
"welfare check"
*
"knock and talk"
*
"grievance"

Date range: January 1, 2023, to the date of search. This request excludes any record concerning me.

I have conducted a thorough search of our internal database, files and e-mails and found that there were no records responsive to your request. I also had my staff, run a second search, to ensure that I had not

missed anything and again, they reported to me that they also did not find any records responsive to your request.

While I did run an internal search of our drives we do contract with DAS-IT for record retention. I have put in a request to DAS-IT to provide me a cost and timeframe to run the searches on their end and as soon as that information is received, I will provide that information to you.

Please let me know if there is anything else you might need from me, my direct email is above.

Thank you,

Robert Ruark
