
WITHDRAWAL OF THE REQUESTS FOR FACILITATED DISPUTE RESOLUTION

TO Todd Albert, Public Records Advocate
FROM Robert Samuel White
DATE October 27, 2026
RE Requests for facilitated dispute resolution of October 8 and October 14, 2026

Mr. Albert,

I withdraw my requests for facilitated dispute resolution of October 8¹ and October 14.²

What I brought you does not fit the room you have. Four institutions. Nineteen months. A referral to the police, a visit to my home, a file at a fusion center, and nineteen thousand dollars in fee estimates.³ Your office is two people and a statute written for a requester and a public body who disagree about a document. It was never going to hold this, and no amount of agreeable interaction was going to make it.

You answered my public records request in four days, with nothing withheld and no fee.⁴ In nineteen months, no other office of the State of Oregon has done that. I have marked your office's function on Key Individuals as *Honorable*.

Nothing further is needed from you on the requests I am withdrawing. Thank you for your service.

Respectfully,

Robert Samuel White
