SUBJECT **ODHS Record Request - Question**

Hello,

I have been assigned to your records request and needing further information before I can continue processing your request.

In order to process your request, we will need more information regarding the scope of the communication records you are asking for. Please provide the following:

* Specific parties (Full name(s) of both parties involved in requested information). We are unable to search the entire ODHS employee database and need specific ODHS employee names in order to complete the search.

Depending on the volume of records returned, this may result in a cost estimate. Please be as specific as possible.

Please respond by 12p on November 4th.
