SUBJECT	**Re: Public Records Request**

[OEM Staff],

Please describe your search.

Is it limited to the date range and keywords I requested?

How many results for those five keywords that justifies $1700 under the statute?

I will record your responses at openrecordsoregon.org. Your invoice qualifies for several known practices, tracked here.

https://openrecordsoregon.org/practices/#an-estimate-instead-of-the-record

https://openrecordsoregon.org/practices/#the-request-is-called-a-burden

Thank you for your public service.

Also: Lol
